

An aerial photograph of a city street grid, likely in Hong Kong, showing various buildings, roads, and a river. A semi-transparent white rectangular area is overlaid on the center of the image, containing a 3D architectural rendering of a proposed green deck. The rendering shows a central circular plaza with a white, bowl-like structure, surrounded by green spaces, trees, and pedestrian paths. The text '綠化平台計劃' is written in large, bold, black Chinese characters on the left side of the white overlay.
